

Ghilotti Construction Company Names New VP of Operations

Ghilotti Construction Company is pleased to announce that part owner, Brian Ongaro (fourth generation Ghilotti), has been named Vice President of Operations. Mr. Ongaro will be responsible for the overall supervision of field personnel, equipment, and jobsite logistics for all projects. He will report directly to Richard Ghilotti, Owner and President of Ghilotti Construction Company.

Mr. Ongaro joined the Ghilotti Construction team in 1982 as a Laborer and worked his way to the position of General Superintendent. He has over 20-years of experience in the general engineering construction industry and holds a Bachelor of Science degree in Construction Management. Mr. Ongaro has played a key role in many of Ghilotti's largest projects over the last decade and his promotion to Vice President of Operations is well deserved.

Founded in 1914 by Mr. Ongaro's great-grandfather, James Ghilotti, Ghilotti Construction Company, headquartered in Santa Rosa, California, is a considered a leader in the general engineering construction industry, with a depth of expertise in performing various private and commercial works-from commercial sites and subdivisions to wineries to major business campus expansions.
