

Ghilotti Construction Company
Prop 65 Warning

!WARNING!

Construction areas contain one or more chemicals known to the State of California to cause cancer, birth defects or reproductive harm.

Asphalt, sand, diesel engine exhaust and other materials may contain chemicals known to the State of California to cause cancer and/or reproductive harm. Exposure to some or all of these chemicals occurs during paving operations and related activities.

Employees: Always familiarize yourself with the hazards of the materials and equipment you are using and follow the precautions indicated on product labels, Material Safety Data Sheets, and your health and safety training program.
